THE NAME SAYS IT ALL

Good News for **Protect Crete Queensland!** 2008 is off to a great start with the opening of a new factory/showroom located at Unit 2/58 Township Drive Burleigh Heads on the Gold Coast. It's owners **Andrew & Sam McLeay** have enjoyed the continuing growth & success of **Protect Crete** products throughout Queensland over the last 4 years & are pleased to now be offering even more to their customers, opening hours are Mon-Friday 7.00am – 5.00pm, Ph. 0422 320 468. Their new premises, aptly signed **Con-Treat Pty Ltd**, offers an expansive range of **Concrete Hi-Performance Treatments**. Stocking all Protect Crete products including the very popular and successful **Moisture-Fix** range specifically designed for the flooring contractor in mind. Con-Treat like to make it easy for their customers, so now supply all the accessories needed to complete a project. They stock everything from airless coatings spray machines, moisture meters through to rollers and brushes. A visit to their showroom will make life easier, not only can you see many different display floors but you can now grab all your supplies and expert information in one stop. Con-Treat pride themselves on excellent customer service and look forward to continuing to grow their business to suit their clients' needs.
